give me pdf formatted shedule for each and every subject not only c++ and java ,divided equally

Created a DOC-style study schedule in Mathpix Markdown format for 6–11 January 2026, giving an equal, hour-wise daily plan for all nine subjects (C++, Java, Algorithms & DS, Web Tech, Aptitude, DBT, .NET, OS & SDM, Web-based Java). This can be exported as a PDF and used as your complete preparation timetable.
